

Auction Rules

- You must be at least 18 years old to bid on a vehicle
- It is a live bid process, where you must raise your hand to acknowledge the bid price announced by the auctioneer.
- You MUST leave a \$300.00 cash deposit for each vehicle you are announced as the successful bidder on. This will be applied to the balance price of the vehicle. Failure to leave a deposit will prevent you from being permitted to bid on any further vehicles at the auction, and may have you banned from attending future auctions.
- Please be aware that there are additional fees above the purchase price of the vehicle that will be charged. These fees include Secretary of State processing fees, State Sales Tax, License transfer fees, and auction buyer fees. These fees may be explained in detail in the auction office.
- All vehicles purchased must be paid for and removed from the facility by this coming Wednesday at 4:30 p.m. Any vehicles not paid for and removed will be subject to a \$50.00 late fee and subsequent storage fees.
- All auction sales are considered Final.
- There are no refunds or exchanges of deposits or monies paid towards the purchase price of any vehicle.
- All vehicles are offered for sale "AS IS". This description is self explanatory. There is no warranty or guarantee offered, expressed or implied on the condition of any vehicle offered for sale.
- All vehicles are offered for sale subject to the approval of the selling parties we represent. This means, even though you may be the high bidder on a vehicle at the conclusion of bidding, there may be a higher reserve price required to be met in order for that vehicle to be considered sold. The reserve price, if known, will be announced at the conclusion of the bidding.
